Design of book is unique, each double page spread includes two distinct fonts, one representing the story of the emu family, and the other, interesting facts about emus. This story is about an unnamed girl and her very best friend, who happens to be a dog. The girl has a wonderful idea. "She is going to make the most MAGNIFICENT thing! She knows just how it will look. She knows just how it will work. All she has to do is make it, and she makes things all the me. Easy-peasy!" But making her magnificent thing is anything but easy, and the girl tries and fails, repeatedly. Eventually, the girl gets really, really mad. She is so mad, in fact, that she quits. But after her dog convices her to take a walk, she comes back to her project with renewed enthusiasm and manages to get it just right. A little girl, named Sadie, goes on a long journey to deliver an elephant to her great aunt Josephine who she believes is very lonely and is in need of company. However, Sadie soon discovers that she will need to come up with a creative way of delivering this special present. Takes place in the dessert, Bermiz comes across four brothers who have to share 35 camels as part of their inheritance. The sharing is unequal
